Subject: RE: Ross Residence - Stormwater Complalint - 6/6/08 Meeting Recap

Mr. Gibbs,

The Village of Yorkville has contacted me with regard to some meeting dates you had proposed. I have confirmed with Mr. Felitto that I can be in attendance on July 7th at 4:00pm in the Village of Yorkville Board Room

Both you and the Town Attorney have referred previously to extensive research being conducted and a comprehensive report prepared by Mr. Granato and Mr. Schrantz. I assume the purpose of this meeting is to present these materials and then give me an opportunity to either agree or disagree with their findings. As a professional courtesy, and out of respect for the time of all attendees, can I assume a copy of this report will be presented to me ahead of time? Since it took Mr. Granato and Mr. Schrantz several weeks to prepare this information, it doesn't seem unreasonable to request that I be given a couple days to review their work ahead of our meeting.

Thank you – I look forward to the opportunity to bring closure to this issue.
