Attention: Bruno Petruccione,
Mayor

Re: Ross Complaint

Dear Mayor Petruccione:

I reviewed the report titled "Response To Stormwater Management Complaint" prepared by Shumaker Consulting Engineering & Land Surveying, P.C. dated June 18, 2008. This report was prepared as a response to a Stormwater Management Complaint dated March 2008 filed by Robert W. Ross on behalf of his parents, Robert and Barbara Ross. I believe that the Shumaker report accurately describes the current stormwater condition at the Holy Trinity Cemetery site and shows that the stormwater management system, as constructed, will not adversely affect the Village of Yorkville's storm sewer system.

Should you have any questions or comments concerning this matter, please contact me.

Very truly yours,

Zangrilli Engineering

Albert A. Zangrilli, PE
